MEMORANDUM FOR THE RECORD

FROM:

[REDACTED]
Alternate CIA Member
DCI Security Committee

SUBJECT:

DDO and DDS&T Positions on Proposed DCID
No. 1/xx "Security Policy Concerning
Travel and Assignment of Personnel with
Access to Sensitive Compartmented Information"

1. On 28 February 1977 the DDS&T focal point advised telephonically that the DDS&T concurs in the promulgation of subject directive. The DDS&T feels that the NSA version would be much too restrictive.

2. On 30 March 1977 [REDACTED] DDO, advised telephonically that the Directorate for Operations concurs in the promulgation of the subject DCID. It too does not agree with the NSA proposed changes.
